Brainstorm a new campaign in the sleek boardroom surroundings of The Beehive or take a working lunch in the privacy of The Hornet's Nest, which can cater for a variety of different layouts.

The Courtyard provides a wide range of possibilities for large conferences and seminars, with the adjoining Garden Bar available for break-out sessions or just a quiet coffee for two.

Our garden gazebos also offer a unique, informal and stimulating environment for meetings with a difference, whilst our extensive grounds can be utilised for team building exercises.
